

In Torrance, The

Torrance Herald

Is A Family Reading Habit!

I like the HERALD'S complete coverage of local sports news... not just a surface story here and there but all the sports stories!

I like the HERALD'S most complete social news... weddings, social events, etc. The stories are of people I know!

The fine HERALD editorial page and complete coverage of local news and real estate transactions are what I like!

I go for those special feature stories such as Ann Landers and fine coverage of my neighborhood news. Junior likes the comics... naturally!
